

Thank-you for enquiring with Truemans Heath Riding School.

Who are we and what do we stand for?

- We're a warm, kind, and friendly Riding School based in the West Midlands.
- We pride ourselves on being different - we see no point in learning to ride or care for horses if you and your horse can't enjoy yourselves.
- We are committed to constantly refining what we do to make sure you and your horse get the best experience possible.

We want a Riding School that feels more like a family; somewhere where everyone can feel included no matter where they've come from – we want a Riding School that feels less like 'a business' and more like 'a second home'

Join us in becoming part of this family; sign up today to our mailing list (contact details below) or follow us on Facebook. Find out what we're doing that makes us different, and how we plan to bring the 'magic' to the 'magic of riding'.

What is the 'Magic of Riding'?

The 'Magic of Riding' is not just a phrase, but a philosophy.

It is a way of riding, a way of teaching, and a way caring for these wonderful horses. The 'Magic of Riding' is not something everyone *will* achieve, but something everyone *can* achieve; you have to be willing to look for the 'Magic of Riding' to find it.

The 'Magic of Riding' means more than just sitting on a horse – it is about learning to be a rider and not just a passenger; learning to think and to connect, to feel and not just to see – to appreciate life from a horse's point of view as well as our own.

The 'Magic of Riding' is the ethos of a journey that will last a lifetime; we aim to bring this 'magic' to all our customers, and hope they too can join us on this wonderful journey.
